## EXPERIENCES

---

- **Paavai Engineering College - Namakkal (On-Site)**

- Placement Coordinator - Department of Information Technology (Full-Time)

August 23, 2022 - Present

- Coordinated campus recruitment activities and liaison between students and recruiting companies.
- Guided and trained IT students on campus placement, including resume building and interview tips.

- **Corizo EduTech - Bangalore (Online)**

- Android App Development (Intern)

April 05, 2025 - June 05, 2025

- Gained practical knowledge in building Android apps using Java, Android Studio, and Firebase, with a focus on UI/UX design and real-time database integration.
- Successfully developed and deployed a functional Android application as part of a final project, enhancing development, testing, and debugging skills in a virtual environment.

- **InternPe - Jaipur (Hybrid)**

- Web Development (Intern)

January 27, 2025 - March 12, 2025

- Gained hands-on experience in building responsive and user-friendly web applications using HTML, CSS, JavaScript, and React in a hybrid work environment.
- Collaborated on real-time projects, enhancing front-end development skills while following industry practices and improving problem-solving abilities.

- **CodTech IT Solutions - Hyderabad (Online)**

- Android Development (Intern)

January 1, 2025 - February 1, 2025

- Developed and tested basic Android applications using Java and XML, gaining practical experience in mobile UI design and app functionality.
- Worked on real-time projects in a virtual environment, improving coding skills, debugging techniques, and understanding of Android Studio tools.

- **Codec Technologies - Mumbai (Online)**

- App Development (Intern)

January 1, 2025 - January 31, 2025

- Learned the fundamentals of mobile app development, focusing on UI/UX design, backend integration, and deployment using modern tools and frameworks.
- Built and tested functional app prototypes in a remote setup, enhancing problem-solving skills and understanding of full app development lifecycle.

- **UMPSA University - Malaysia (On-Site)**

- Global Immersion Programme (Edu-Tourism)

November 14, 2024 - November 27, 2024

- Participants engage in collaborative projects, international networking, and hands-on learning experiences designed to broaden global perspectives and enhance personal and professional skills.
- They offers students a unique opportunity to experience Malaysian culture, education, and industry through academic sessions, university visits, and cultural tours.

- **NSIC Technical Services Centre - Chennai (On-Site)**

- Android Application Development (Intern)

August 31, 2024 - September 30, 2025

- Completed on-site training in Android app development using Java and Android Studio with real-time project exposure.
- Gained hands-on experience in designing, coding, and testing mobile applications.
